Each Division will have the opportunity to meet for almost 3 hours and has the option to formulate their own agenda for that time.

Commissioners are encouraged to bring their Division representatives to learn from and contribute to the meeting sessions, as well as participate in informal Division-specific meetings and discussions that will take place throughout the Annual Meeting. These meetings will be scheduled and led by Division leadership and NASMHPD staff.

Note: Presenters are still being finalized and titles are temporary. The content will remain the same, but the times of the sessions could change.
