Building New Treatment Mall:
The CSH Center for Wellness, Hope, and Learning

Susan Trueblood
Regional Hospital Administrator
Central State Hospital
The Center for Wellness, Hope, and Learning consists of:

- Treatment Mall/Programming Space (23,257 sf);
- Multipurpose/Partial Gymnasium (2,866 sf); and
- Secure Connecting Corridor (1,380 sf)
Project Overview

Total Project Cost: $8,242,312

Funding Sources:
- General Obligation Bonds - $3,200,000
- Agency Funds - $5,042,312

Project Timeframe:
- Design Phase – 10 months
- Construction Phase – 13 months
Design Goals

• Secure corridor connecting center to hospital
• Inviting, calming and less institutional environment
• Open spacious area with abundant natural light
• Flexibility within program space
• Specialty areas to enhance transition programming
• Space for leisure activities and exercise
• Access to outdoor space
